US History Regents Summer Reading Assignment

*This summer you will be getting a head start on the topics that will be covered throughout the year in your **US History** course. In order to be well prepared and get the year started off on the right foot it is very important that you complete the following assignment.*

Task: You will read, annotate, and outline pgs. 37-59. In these pages you will explore the early history of how the United States went from a bunch of colonies controlled by England to an independent nation.

Requirements:

- Assignment must be typed in **12 font Times New Roman**
- **Be sure to bold each question you create.**
- Create a guided question for each sub-heading throughout the reading
- Each chapter starts with an introduction. You must outline the information in each introduction but do not have to create a question for it. Simply just label that part of the outline **Introduction.**

Due Date: Friday September 8, 2017
