

7th Grade Summer Math Assignment

Directions

- This summer you will be completing your math assignments online. If you do not have access to a computer this summer, you will have an opportunity to come into MHV and use a computer
- You will need to go to Deltamath and log in with the following code: 784626 Once you add the teacher code, you will select the class ***“Incoming 7th graders”***
- There are three assignments related to what you have learned in 6th Grade, listed below. The dates that follow are when the assignment is due.
 - Finding Unit Rates – July 13th, 2018
 - One step Equations – July 27th, 2018
 - Basic percent’s - August 10th, 2018
- Late assignments can still be turned in, but will include a deduction of points.
- If you have questions email Mr. Zeolla or Ms. Biggs. Their emails are listed under their names. Both will be teaching summer school and will be in the building.
