

8th Grade Summer Math Assignment

Directions

- This summer you will be completing your math assignments online. If you do not have access to a computer this summer, you will have an opportunity to come into MHV and use a computer or visit your local library.
- You will need to go to Deltamath.com and log in/create an account.
- Join the following code: **391248** Once you add the teacher code, you will select the class ***“Incoming 8th graders”***
- There are three assignments related to what you have learned in 7th Grade, listed below. The dates that follow are when the assignment is due.
 - Integer Operations – July 13th, 2018
 - Inequalities – July 27th, 2018
 - Equations - August 10th, 2018
- Late assignments can still be turned in, but will include a deduction of points.
- If you have questions email Mrs. Figueroa at nfigueroa@motthallv.org
