

Mott Hall V Middle School Teacher Letter 2020-2021

Teachers –

Please spread the word that Opening Act, an after-school theater program serving Mott Hall V, will be having its first virtual spring workshop on **Monday, February 8th from 4:00 PM – 5:30 PM on Zoom.**

We need your help in finding new students! If you have anyone you think would benefit from a weekly acting program, please refer them to the digital flyer attached and encourage them to attend the first workshop. Keep in mind that Opening Act requires no previous acting experience, and we welcome all students (from those who seem obvious for the stage to those who could benefit from stepping out of their comfort zone). Regardless of what brings a student into our workshop space, they will be surrounded by a supportive and inclusive community.

We are looking forward to a great year with your school! Opening Act has a track record of getting students invested in their education and their future. We offer many opportunities to our participants including scholarships, Masterclasses, and performance opportunities.

If you have a student who is looking for a place to express themselves or wants to try something new, Opening Act might be the perfect place for their creativity and talent. Thank you! Also, if you are inclined, we'd love if you would read the following announcement to any of your classes:

Announcement to students:

“Ever think about being an actor or actress – or just want to be on stage?”
